FOREWORD

Dear Reader,

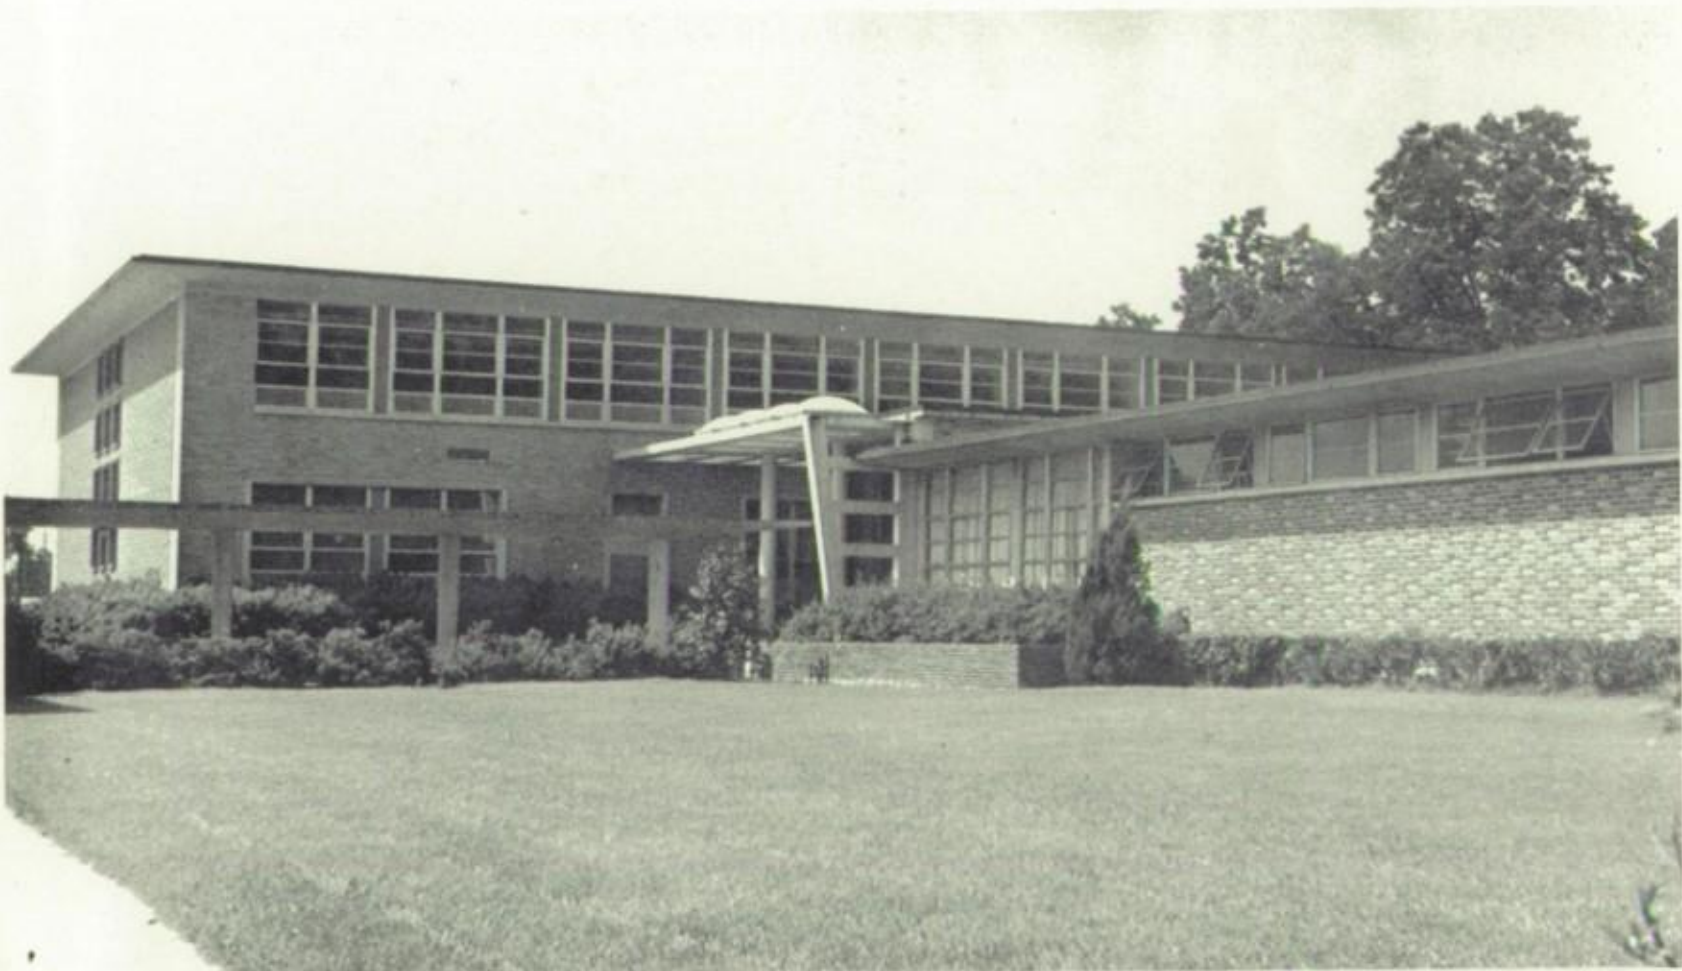

All of life is a series of opportunities or open doors. If we pass through the opening of one door, then another door will present itself either to remain closed or to be opened and passed through.

Just as the U.S.S. Alabama provided an opportunity for the men who served on her to fight for their country, just as it was an open door through which these men passed, so is high school a doorway through which all students must pass in order to attain their goals.

Within the main doorway of high school, there are many other doors which must be opened and whose contents must be revealed. These doorways are represented by Classroom, Athletic and Military training, learning to work with others through organizations, and learning to enjoy the fellowship which others offer through various activities.

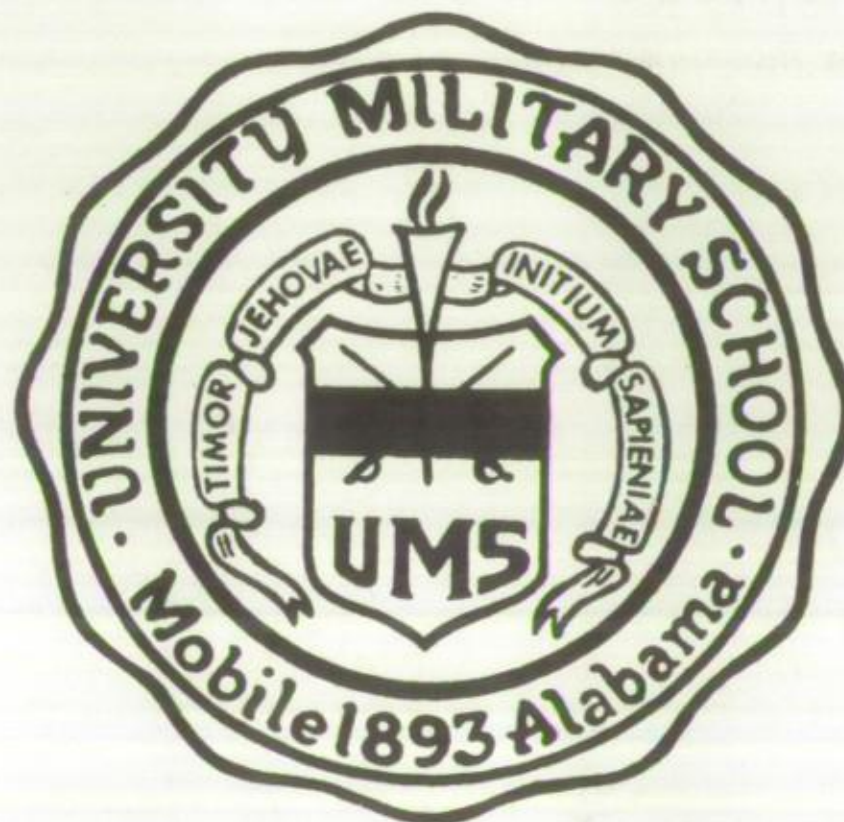

In the 1966 *CADET*, we have tried to represent all of these doorways or facets of life at University Military School, and to this purpose we have dedicated our efforts that this book might serve as a constant reminder of life at U.M.S.

Sincerely,
William M. Moore

*Whatsoever things are true, whatsoever things are honest,
whosoever things are just, whatsoever things are pure,
whosoever things are lovely, whatsoever things are of
good report, if there be any virtue, and if there be any
praise, think on these things.*

Philippians, IV, 8

Dear Lord and Heavenly Father,

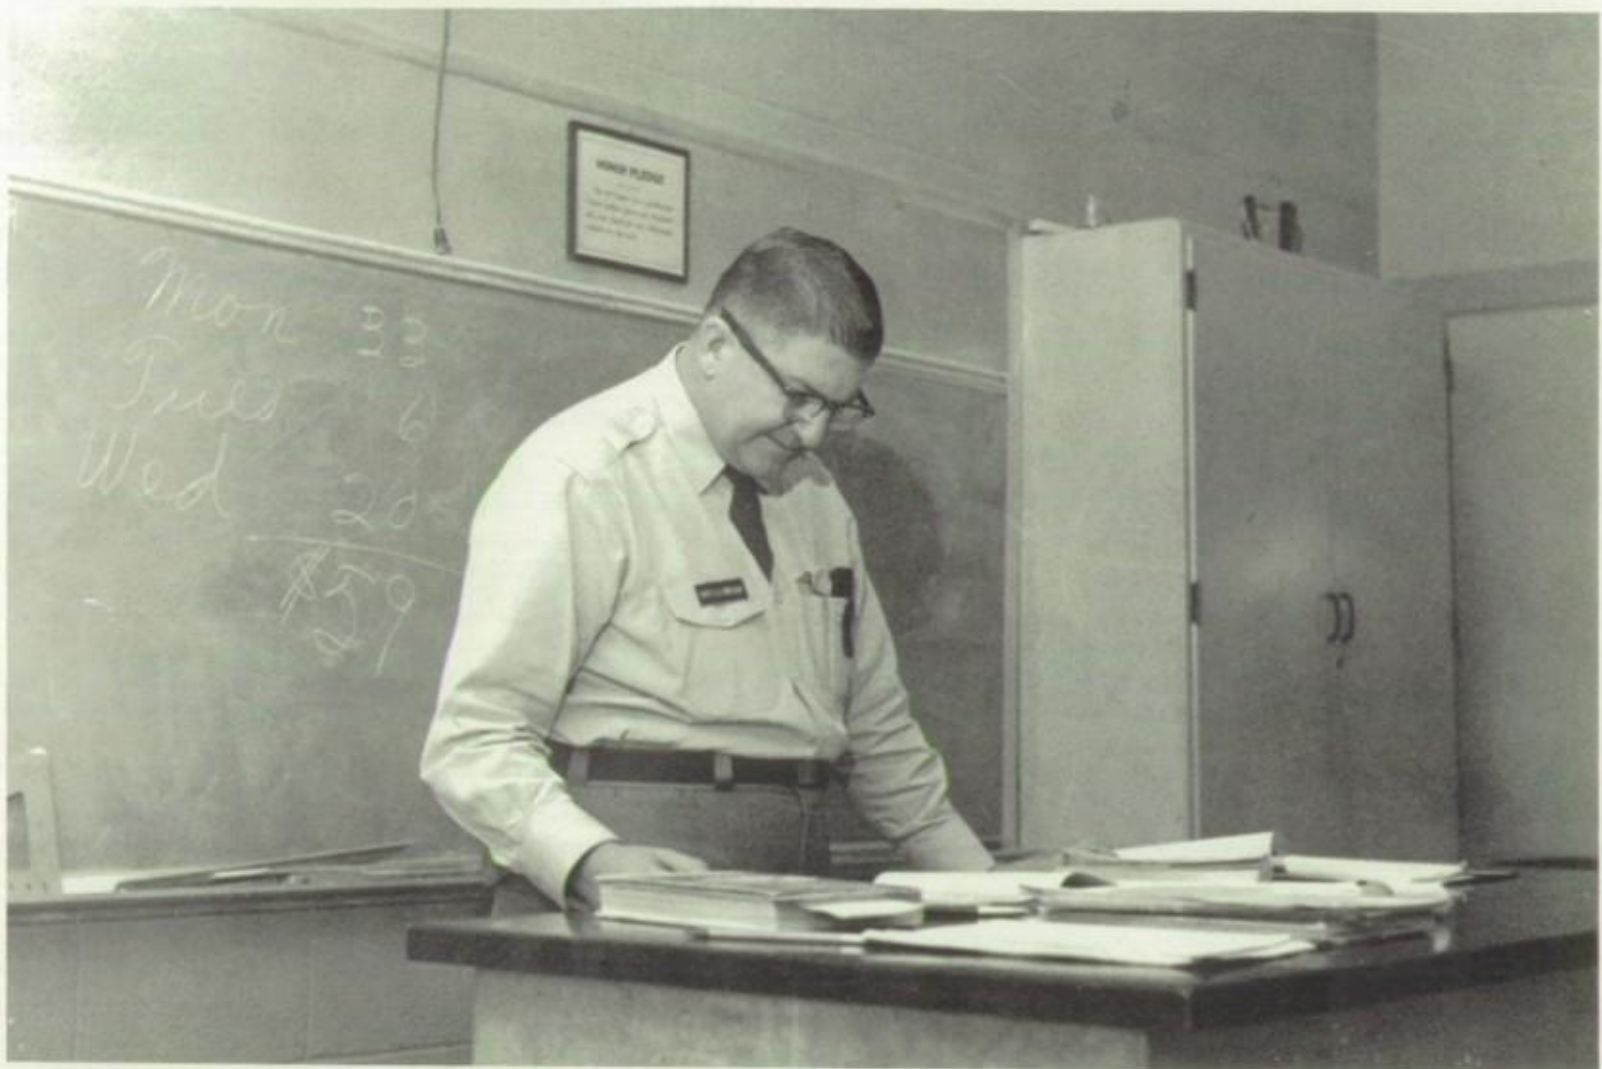

As we search for knowledge and wisdom,
Grant that we may not forget
That Thou art the Giver
Of all good and perfect gifts.
Teach us to play the game with honor,
In our work and in our play.
May our words and deeds be such
That those who were before us
Will not be ashamed,
And those who follow after
Will find in us
An example of truth and courage —
The spirit of our school.
Give to us a noble spirit
That we, with our teachers,
May go forward to achieve
The highest goals of life.

Bless our school,
And all who teach,
And all who learn.
And Thine be the honor,
And glory forever,
Amen.

DEDICATION

1966

To you Captain Edward E. Breaux, for your many years of dedication to U.M.S. and to the Student body, we proudly dedicate the 1965-'66 "Cadet." For years you have worked untiringly to impart knowledge to each of your students both through your words and your actions. You have worked directly or indirectly with every part of student life, and most important of all, you have always been available to any student who needed private instruction, counseling, or someone to talk to.

Captain Breaux gives individual aid to his Physical Science students.

Captain Breaux lectures to the entire class.

The Cadet Corps said the Pledge of Allegiance to the American Flag at the Thanksgiving Program.

Colonel Hanks accepted the Good Sportsmanship trophy on behalf of the student body.

The students at the University Military School are taught not only the privileges of life in a democracy, but they are taught the responsibilities as well. They are taught the proud history of our great nation, and they are taught to prepare themselves to carry the nation to even greater heights. While being taught to be proud of their school, state, and nation, the student body is taught to be humble. While being taught to fight tenaciously to achieve victory, the boys are taught to accept defeat—if defeat is inevitable—in a manner becoming to themselves and to their school, and they are taught to accept victory with the humility brought on by the realization that there is a Being greater than themselves that has helped them attain victory.

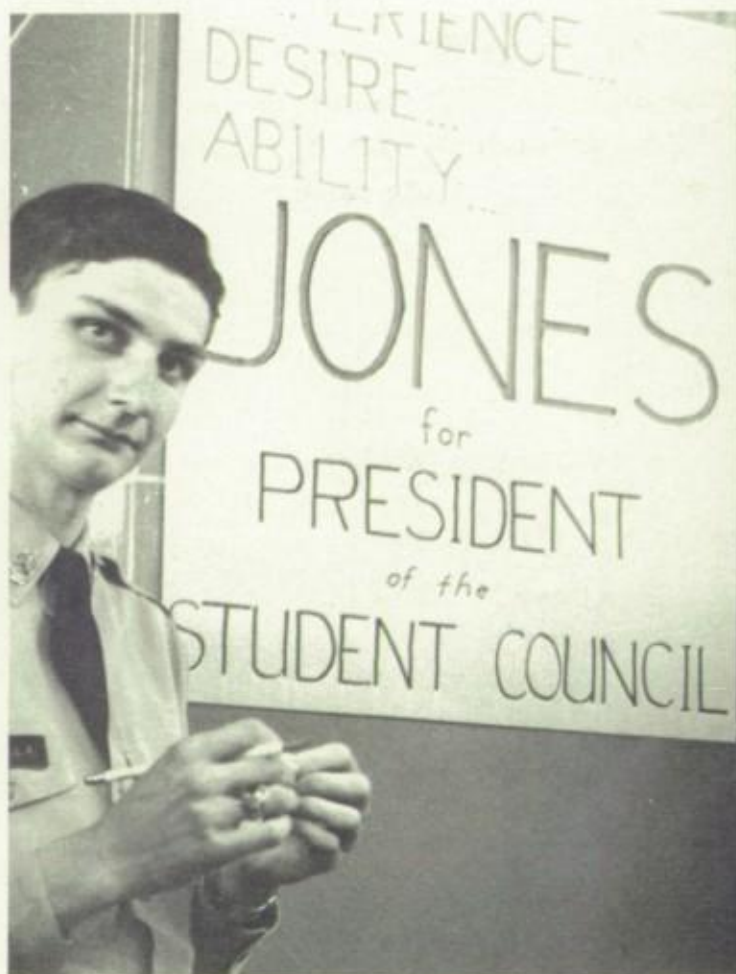

Coleman Oswalt showed the first graders how to put on their nameplates.

Sloan and Grant try to help each other understand their homework.

At U.M.S. emphasis is placed on service to others rather than service to self. The Faculty at U.M.S. strives to instill into the Cadets the idea that other people are just as real as they are. Each boy at U.M.S. realizes that he has an obligation to help anyone who is in need of assistance, and each is eager to assume a role of leadership in any organization in school that provides such assistance.

There was a bonfire before the Homecoming game.

There was a dance after the Homecoming game.

At U.M.S. there are various social activities offered to the student body which are aimed at broadening the minds of the students and exposing them to all facets of life.

The Crack Platoon performed during half-time at the football games.

The supreme effort put forth by members of the athletic squads is typical of the attitude of all cadets at U.M.S.

School life at U.M.S. is many things to many people, but common to all is the love for the school. To the high school students, U.M.S. is the place where they can receive outstanding training for the college years to come. To the elementary boys, U.M.S. is a place to learn to live with others and to be with friends. No matter what it means to the individual, to the student body as a whole, it is an important part of life that will always be remembered. But no matter how fond the memories are, we must not pause too long; but we must move on. With this in mind let us proceed . . .

THE ASSISTANT SUPERINTENDENT

Lt. Colonel Robert E. Hanks, B.S., M.A.

The administration strives constantly to improve the quality of education at the school. In addition to keeping in contact with current trends in education, a close relationship is kept with the student body in order to learn what can be done to strengthen U.M.S. The dedication shown by the administration sets an example to be followed by all cadets at U.M.S.

ELEMENTARY

The Elementary Faculty at U.M.S. continually strives to revise and improve the first six grades of the school. All of the Elementary teachers read books and make studies in areas of education pertinent to their classes.

Major Moore and Mrs. Rhinehart confer with Dr. Swenson and Mr. Carr about the Elementary School at U.M.S.

Major F. Durword Moore
A.B., M.A.
Elementary Supervisor

During the school year, Major Moore, who has been working to improve the Elementary School at U.M.S., served on both the Elementary Commission of the Southern Association of Colleges and Schools and on the State Accrediting Committee for the Co-operative program. He was among four Alabamians to serve on the Elementary Commission and ten on the State Accrediting Committee.

The Music Department adds a great deal to the Elementary School. Above, the Kindergarten is shown preparing for a performance.

CAFETERIA STAFF

The cafeteria staff under the direction of Mr. J. A. Mitchell supplies a balanced meal to the students of U.M.S. everyday. Some of the cafeteria staff work overtime to serve the dormitory students. This willingness to work has led to the efficiency of our cafeteria staff.

Mr. Joseph A. Mitchell
Cafeteria Manager

JANITORIAL STAFF

One of the team.

How do you think we should get that ball down?

Much credit is due to the janitorial staff at U.M.S. They keep the classrooms, halls, restrooms and other parts of the building spotlessly clean. The grounds are kept free of litter and trash by the work of this diligent staff. Without their fine work U.M.S. would not be in the excellent condition it is in today.

HOMECOMING — 1965

Mr. and Mrs. Swift and nephew, John.

BON-FIRE

1965 FACULTY-SENIOR BASKETBALL GAME

Hume tosses it up.

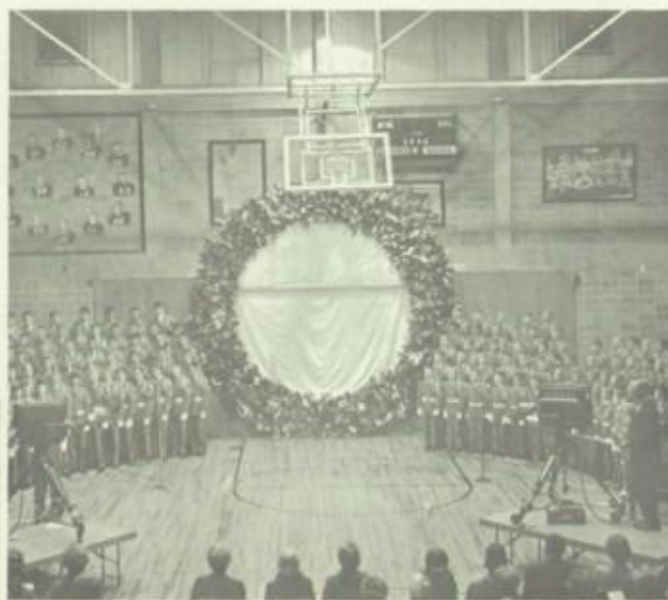

Hefner goes up for two.

A battle under the basket as Cadets look on.

ANNUAL CHRISTMAS PROGRAM

The Singing Cadets give their part of the program.

The stage crew also took a very big part in the show.

THANKSGIVING PROGRAM

Capt. Addison and the band begin the program.

The entire Cadet Corps salutes the colors on this National Holiday.

1965 JUNIOR MISS PAGEANT

This year both the Senior class and the Cadet Chorus took part in the Annual Junior Miss Activities. The Seniors met the girls at the airport while the Chorus did their part by singing in the nationally televised Junior Miss Pageant.

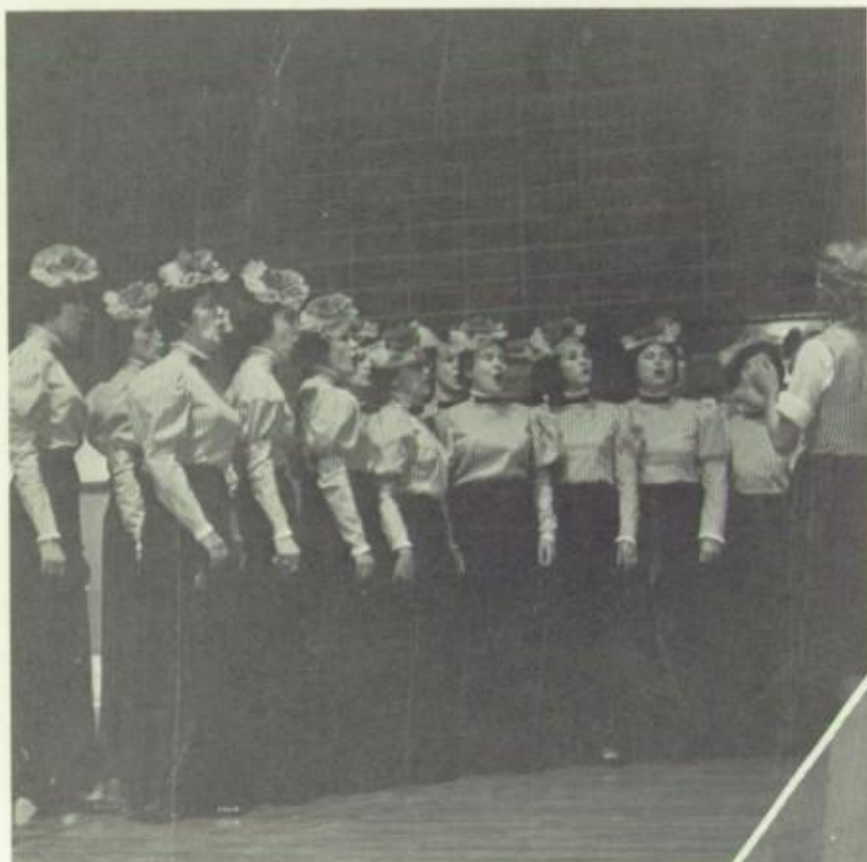

Here the Chorus is shown on stage with America's Junior Miss, Linda Felber.

Seniors practice just before the arrival of the girls.

ANNUAL FATHER-SON BANQUET

In the spring of each year the Student Council sponsors the Annual Father-Son Banquet. The banquet is held at U.M.S. and last year the featured speak-

er was Coach Vince Dooley, head coach of the Georgia Bulldogs. The entertainment was given by the Sweet Adelines.

JUNIOR-SENIOR CLASS PARTY

The boys take in a game of volleyball.

Capt. Dinkins shows his unique disciplinary action.

Every year in the spring the Juniors and Seniors take a day off for their class party at Dauphin Island. The boys leave on buses in the morning and enjoy the whole day at the island instead of in the classroom.

The surf is the main activity of the day.

Acrobatics are displayed on top of a sand dune.

FIELD DAY

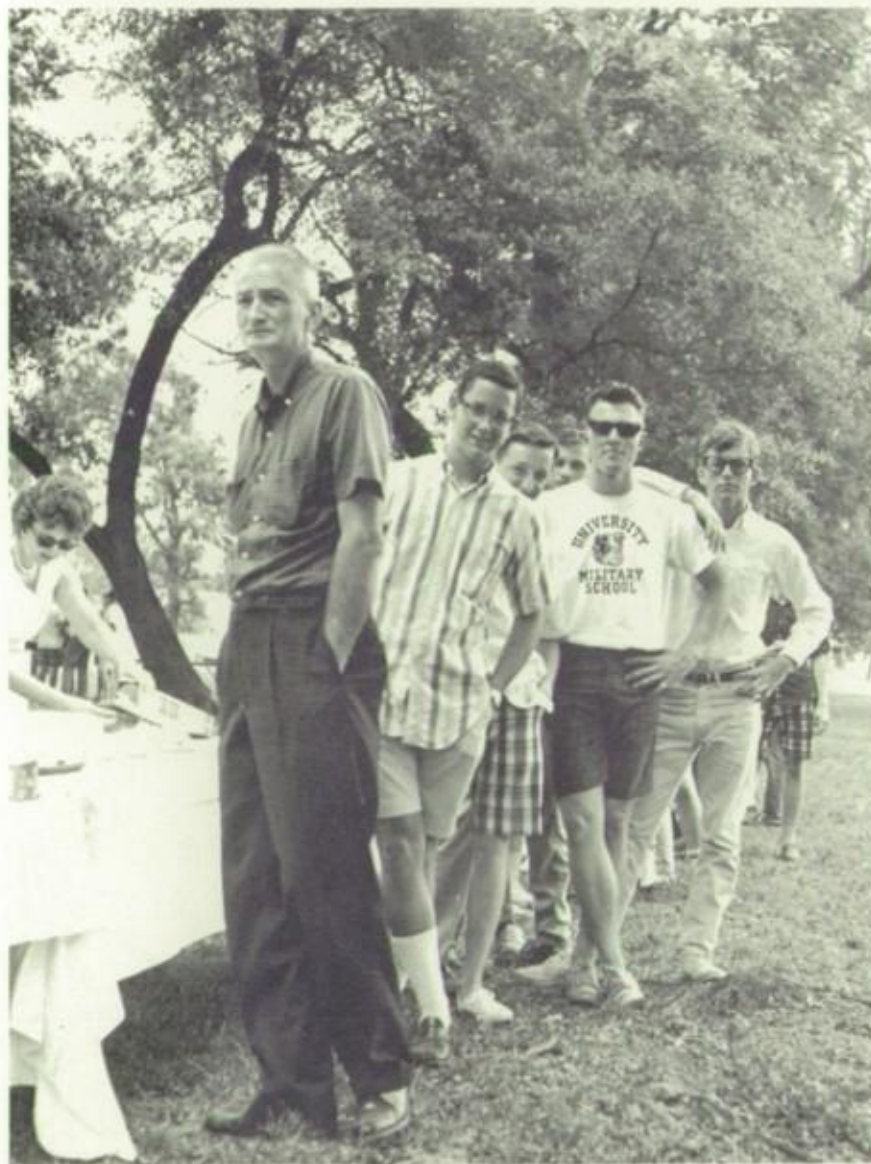

The shuttle relay is the main company event.

Field Day takes place every year in the spring. Boys of all ages get a chance to show their physical activities by individual competition. The boys and their parents have a picnic and awards are given for each event.

Coach Lowery starts the relay with a bang.

Looks like Fess wants some food.

Many boys participate in the broad jump.

SENIORS ENJOY MAY DAY

The ice is very painful, but very popular.

One day is set aside each spring for the underclassmen to get their revenge on the Seniors. They put the Seniors through various activities and exercises.

This gets very chilly, especially when it is a cold day.

The mud hole is the dirtiest of them all.

This board becomes very popular before the day is over.

Exercises can be given to every Senior.

COMMENCEMENT DRILL

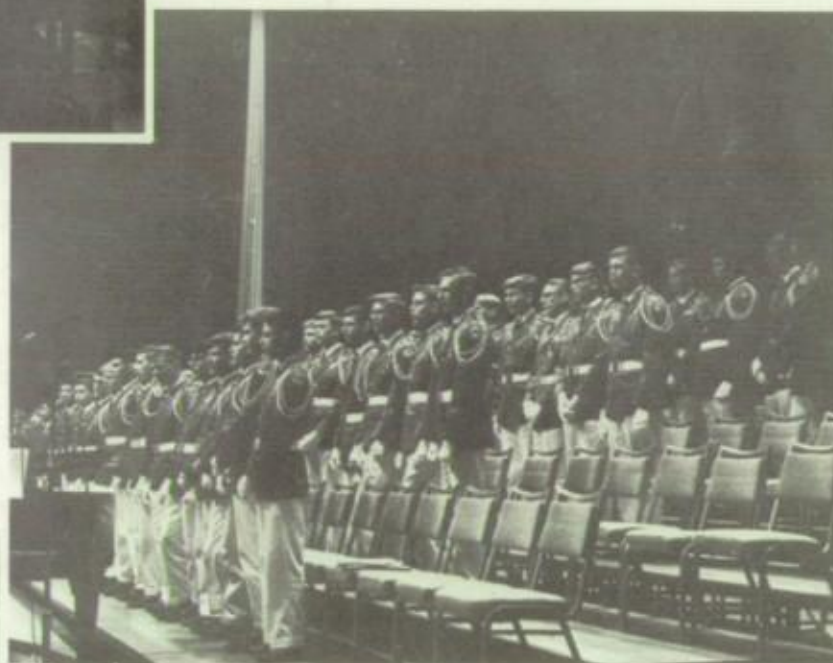

Winner of the individual competitive, Ty Graham.

GRADUATION—CLASS OF 65

This year's graduation was held in the Municipal Auditorium for the first time. The main speaker was Dr. Frederick P. Whiddon, the president of the University of South Alabama. Both the Cadet Chorus and the Band performed in the 1965 program.

1965 GRADUATION HOP

Commander of the best drilled company, Ed Simms.

Otis Redding and his band provided the entertainment.

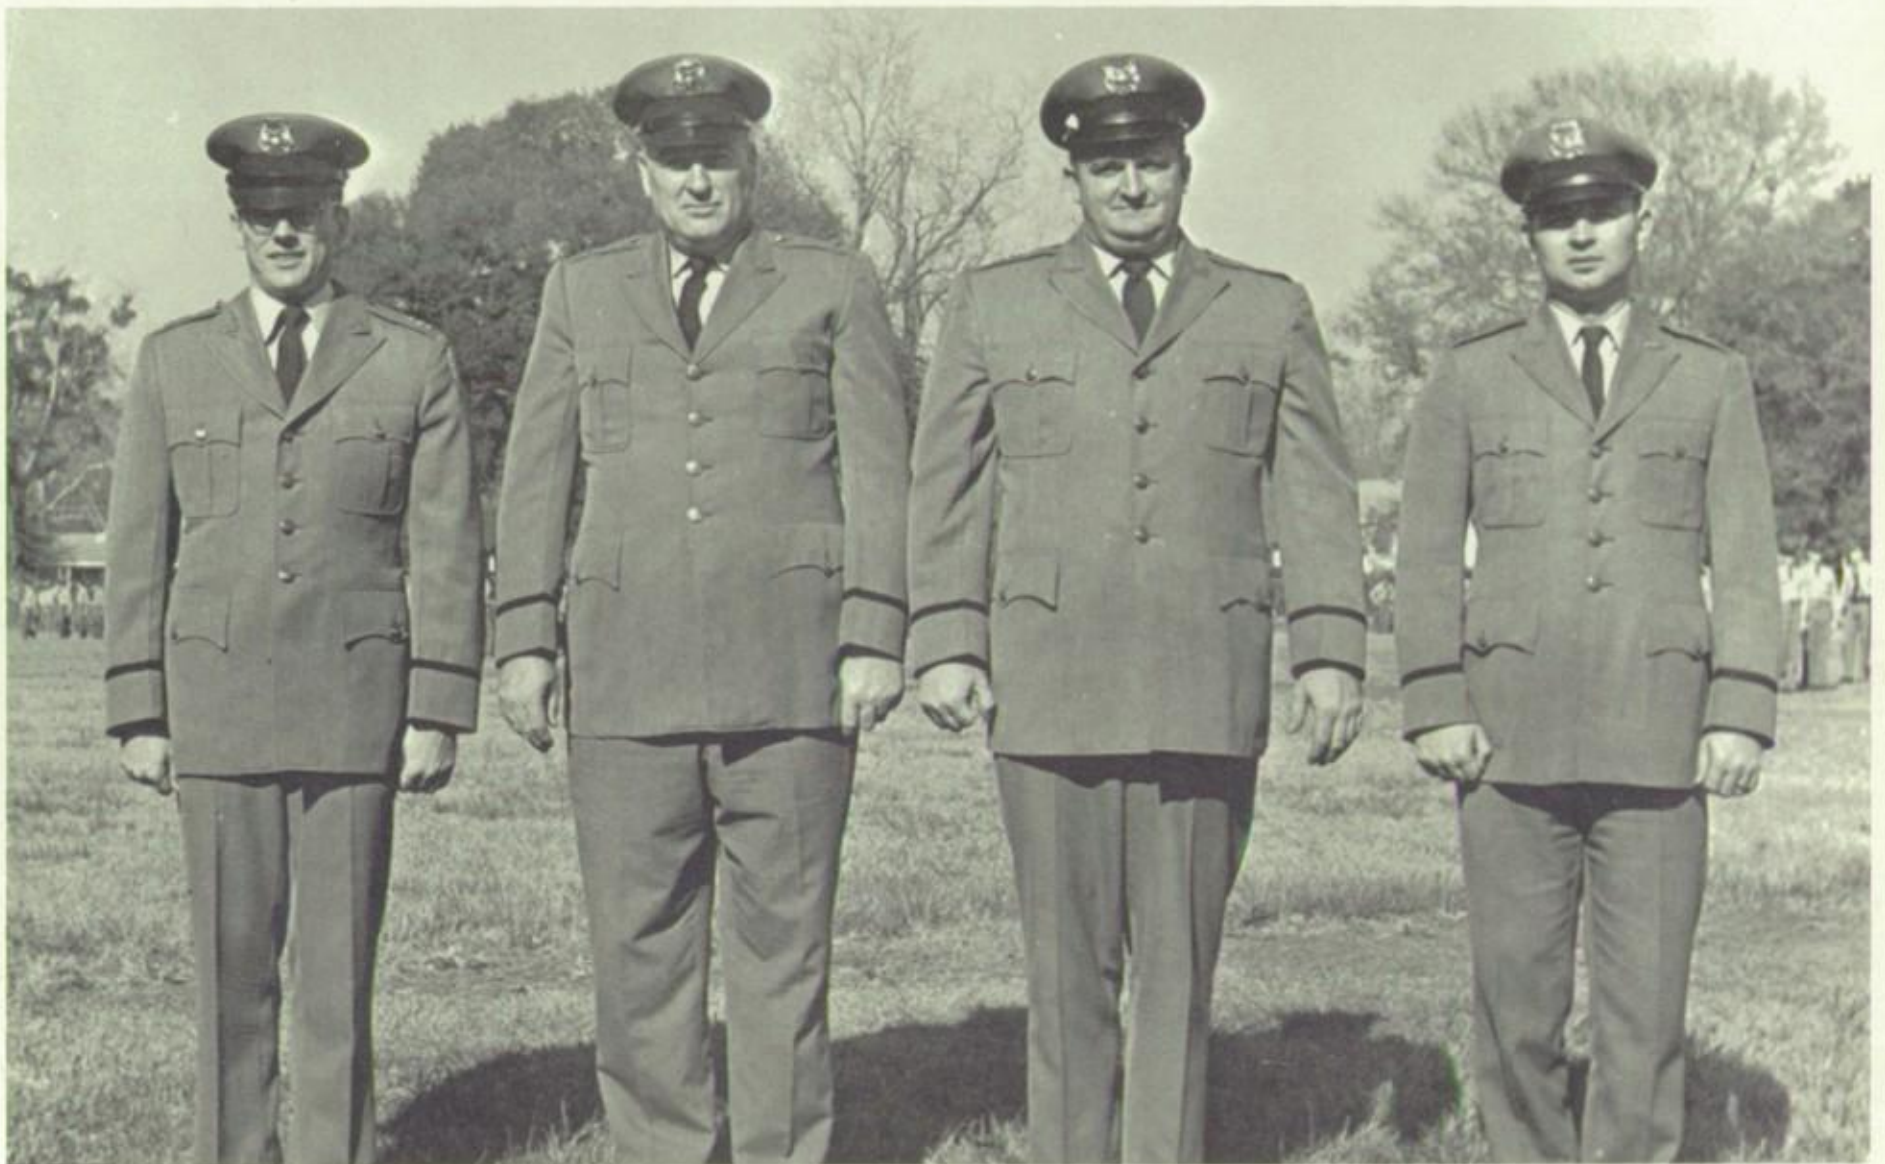

The first dance of the evening is reserved for the Seniors and their mothers.

SPORTS

FOOTBALL 1965

Despite numerous injuries, the 1965 Cadets completed their fifth straight winning football season and captured their fourth straight MCCC championship. The Bulldogs compiled a fine 6-4 record. This was a rebuilding year for both the team and coaching staff. Over half the team was composed of freshmen and sophomores. Fine leadership was provided by the eight seniors and the new coaching staff. Coach Hefner became head coach and end coach; Coach Jim Gatwood was the backfield coach; and Joe Dean the line coach. Hard work was shown by both coaches and team from August to November. The coaches, team, and boosters should be congratulated for another outstanding year of football at U.M.S.

BULLDOGS OPEN AGAINST BAY MINETTE

The UMS Cadets won their first game of the season over the Bay Minette Tigers on the Tiger's home field. Coats scored both of the Cadets' touchdowns on a twelve yard run in the first quarter and a one yard plunge in the fourth quarter. Hume kicked both extra points. Bay Minette scored its only touchdown on a pass from Waters to Mashburn. The try for extra point failed. UMS 14—Bay Minette 6.

CADETS WIN OVER DAVIDSON

The Cadets chalked up the second straight win of the year over the Davidson Warriors by a 3-0 score. UMS got its only score in the second quarter on a 35 yard field goal by Chris Hume. Davidson threatened near the end of the game as a result of Boyette's passes but the game ended without Davidson crossing the double stripe.

U.M.S. BOWS TO MURPHY

An interception riddled Cadet squad fell to a mighty Murphy High Panther team September 24 at Ladd Stadium. A roughing the kicker penalty against the Cadets kept alive a 75 yard drive for Murphy in the first period which resulted in seven points. The previously unbeaten Cadets could not seem to get their offense rolling. Murphy turned three interceptions into touchdowns in the second half for a 28-0 victory. Chris Hume was a standout on defense.

ALBA FALLS TO THE CADETS

UMS rebounded for its third victory of the year over the Alba Sharks on the Alba field by a 26-13 score. UMS scored its first touchdown on a 65 yard pass from Coats to Walker and a few minutes later Coats scored again from the two. In the second half Coats again scored from the two and fired a 60 yard pass to Frank Alardo for the final touchdown. Alba scored their two touchdowns in the second and fourth quarters.

U.M.S. BEATS THE PIRATES

UMS ran its season's record to 4-1 with a 14-7 triumph over Fairhope in Ladd Stadium. UMS scored first when Coats ran 22 yards to cap a 97 yard drive. Alardo scored UMS' second touchdown on a two yard plunge with 47 seconds left in the half. Fairhope scored their only touchdown on a 54 yard pass to Buddy Sawyer.

THEODORE WINS IN A CLOSE ONE

Theodore's Darrel Haskew galloped 84 yards with the opening kickoff and Joe Kulakawski converted to give the Bobcats a 7-0 lead with 14:36 left in the first quarter. Startled, the Cadets fumbled the ensuing kickoff at their own 31, and the Bobcats again capitalized to give them a 14-0 lead. The Cadet's Alardo crossed from the one in the second period, but the point after attempt sailed wide. Another scoring opportunity was had by both teams, but neither one was successful. The Cadet's Garet Miller scored on a one yard plunge in the fourth period, but again the extra point was no good. The final score was 14-12, as the Cadets suffered their second loss.

LIONS GIVE CADETS THIRD LOSS

The U.M.S. Cadets lost a close game to the Foley Lions 7-3. U.M.S. scored on a 45-yard field goal by Chris Hume. The Cadets went to the dressing room ahead 3-0 at halftime. However, Foley came roaring back. The Lions recovered a fumbled punt in the fourth quarter and scored four plays later. After the PAT, the score was 7-3. The Cadets bravely moved the ball down to the Foley 9 yard line with 45 seconds left in the game. But Foley intercepted a Fred Coats Pass and the game ended. Lindsey Walker turned in a fine performance by catching 6 passes and aiding the ground attack.

MCGILL FALLS

U.M.S. rebounded from two straight defeats to beat the McGill High Yellow Jackets by a 13-0 score. U.M.S. scored the games only touchdown in the first quarter on a one yard pass from Coats to Bullard. Hume added the extra point and later kicked two field goals of 44 and 38 yards. U.M.S. threatened twice more but lost the ball on downs once and fumbled the other time. The Yellow Jackets were never able to mount a serious threat as the Cadet's pass defense made 5 interceptions.

BEARS UPSET CADETS AT HOMECOMING

A fired up Robertsdale team spoiled Homecoming for U.M.S. fans at Ladd Stadium. The first half was scoreless, but Robertsdale came back after intermission and built up a 10-0 lead. The Cadets, however, were not to be put back. Sparked by the passing of Fred Coats, they put seven points on the board. Fred Coats scored again on a four yard run with 1:24 left in the game to put U.M.S. ahead 14-10. A desperation pass by Robertsdale was completed when an alert Robertsdale player picked it off after it was tipped up by two Cadet Defenders. With seconds left, Robertsdale completed a 14 yard touchdown to snatch a victory from the hands of the Cadets.

U.M.S. CLOSES SEASON BY BEATING RAIN

The U.M.S. Bulldogs ended its 1965 football season with a 14-0 victory over B.C. Rain. The Cadets first touchdown was scored on a 59 yard drive taking 10 plays. Coats moved the team down the field by his fine passing, completing several passes on the drive. Miller scored on a one yard plunge. Bud Urquhart scored the second touchdown in the third quarter, intercepting a Rain pass and returning it 70 yards for the score. Rain collected all of their nine first downs in the second half as they were held to almost nothing in the first half. Defensively, Walker and Milling were standouts for the Cadets. Coats was the leader on offense. He completed 11 out of 18 passes for 105 yards.

BASKETBALL

The 1965-66 Cadets did quite well in basketball. After three straight losses, the Cadets rebounded to a four game winning streak. Since only five lettermen and one starter returned, Coach Smith had to work hard to prepare the team. Fred Coats was the only returning starter. Tyle Boulo, Lindsay Walker, Jim Pipas, and Chris Hume made up the rest of the starting five. Chris Hume and Murray Meador were the only two seniors on the squad.

BASEBALL

The 1965 Cadets had a very successful baseball season. They finished the year with an 8-5 record. Fred Coats, Ferrell Grimes, and Gerald Rogers did most of the pitching and Larry White caught the whole season. Ferrell Grimes played first base and Dale Winship played second. Shortstop was held down by Fred Coats and Gerald Rogers and George Barnhill played third. Joe Eskridge, Mickey Ladd, and Bill Meador played the outfield.

PHYSICAL EDUCATION

UMS is a firm believer in the President's council on Youth Fitness. This is shown in its excellent P.E. program. Every grade participates in the rigorous exercise programs. The elementary school has a football program in the fall, soccer in the winter and spring, and kickball in the spring, also. The high school has touch football, flagball, basketball, tennis, and battle-ball. These games are mixed in with exercises such as running, situps, and pushups. The coaching staff does a fine job in keeping the students happy and also in shape.
